MEMORANDUM FOR: Executive Officer, IC Staff

SUBJECT: Weekly Activities Report

I. NEW ITEMS - none.

II. ON-GOING ITEMS

1. Washington Area Imagery Transmission System (ITS-W)
A preliminary status report was circulated which presents in detailed outline the substance of the report which is being prepared for submission to the USIB by the Ad Hoc IHC Working Group on this subject. The report is nearing completion and, after coordination with appropriate components, should be ready for submission at the 2 October meeting. Meetings are now taking place with the contractor for the system on the results of the Phase I contract. Action officer: IHC/[]

2. NIPS

The final draft of Annex D, Part I covering the dissemination section of the NIPS has been completed. Annex D, Part II covering the mid-term objectives is in the process of drafting.

3. CONTEXT

An inspection was made of the CONTEXT terminal/conference area selected by the Department of State. It is conveniently located near the analysts and the Operations Center and it was suggested that it be enclosed to minimize the noise level. Action officers:
